LAW DEPARTMENT BANGALORE

SIR

Subject - Cement concreting Kemmannugundi Road III Division from the junction of T C Road to R C C Foot bridge

In forwarding herewith an estimate for Rs. 10,000/- for the above work, I have the honour to state that the Kemmannugundi Road is a metalled road running near the Mysore Railway Goodshed and the traffic on this road is very heavy Though the road is metalled every year it does not stand even for four months on account of the heavy traffic to and from the goodshed Therefore with a view to cement concrete the road in bits a lumpsum provision of Rs. 10,000/- was made in the current year's budget under Major City Improvement Works An estimate to cement concrete the road to a length of 460' at a cost of Rs 10,000/- together with the proposal to work out the estimate departmentally was placed before the Managing Committee on 15-11-1944 when they sanctioned the same The Committee's resolution was approved by the Municipal Council at their meeting held on 15th December 1944 and I enclose herein extracts of the resolution for your information

I request you kindly to obtain sanction of Government to the estimate early

I have the honour to be,
Sir,
Your most obedient servant,

K Subba Rao
Municipal Commissioner

Forwarded with compliments,

mlk President
